KLOTZ ASSOCIATES NAMES BRAD R. BROWN, P.E. TxDOT DEPARTMENT MANAGER

Klotz Associates, Inc. announces that shareholder **Brad R. Brown, P.E.** will become the **Texas Department of Transportation (TxDOT) Department Manager** in the consulting engineering firm's Houston office. He previously led the Transportation Group in the Austin office.

Brown has 26 years of experience spanning all aspects of civil and transportation engineering. He has been responsible for the design and construction management of projects totaling more than \$600 million in construction costs. In addition to his extensive work with TxDOT, Brown has an impressive portfolio that includes major transportation projects for Texas A&M University System, Galveston County, Montgomery County, Fort Bend County, Harris County, Houston METRO, Houston Airport System and the City of Houston.

A licensed professional engineer in Texas, Brown received a Bachelor of Science in Civil Engineering from Texas A&M University. He is a member of the American Society of Civil Engineers, North Houston Association and other engineering associations.

"Brad has dedicated his career to solving the mobility challenges of many of Texas' largest government agencies," commented D. Wayne Klotz, P.E., President of Klotz Associates. "With his vast expertise and background, he provides TxDOT with the guidance and support needed to create the best solutions for our state's ever-expanding transportation needs."

With a staff of 120 professionals and offices in Houston, Austin, Lufkin and San Antonio, Klotz Associates provides transportation, land development, traffic, ITS, water and sewer, aviation and drainage services.
