**KLOTZ ASSOCIATES NAMES TWO NEW ASSOCIATES**

Klotz Associates, Inc. has named **Michael Collins, P.E., PhD, PH, CFM** and **Manu Isaac, P.E.** as **Associates** of the consulting engineering firm.

Manager of Klotz Associates' stormwater practice area, Dr. Michael Collins, P.E. has 37 years of experience spanning all aspects of water resource consulting including drainage and stormwater management, groundwater and wetland impact evaluations and desalination feasibility studies. Prior to joining Klotz Associates, Collins was a professor of Civil Engineering at Southern Methodist University for 20 years. Following his academic tenure, he worked in senior roles at major engineering firms. A licensed Professional Engineer in seven states including Texas, Collins earned a Doctorate in Hydrodynamics from the Massachusetts Institute of Technology and a Master of Science in Hydraulics and a Bachelor of Science in Civil Engineering from the Georgia Institute of Technology. He is a Certified Professional Hydrologist with the American Institute of Hydrology.

Of his 16 years of civil engineering experience, Manu Isaac, P.E. has spent 14 years specializing in traffic and transportation with a focus on improving the mobility and safety of the public. His portfolio includes a wide range of traffic engineering projects for cities and counties across the southwest region, including Houston METRO, City of Baytown, Harris County, City of Pearland, Texas Department of Transportation, Houston-Galveston Area Council and NASA. A licensed Professional Engineer in Texas, Isaac holds a Master of Science in Transportation Engineering from Texas A&M University and a Bachelor of Technology in Civil Engineering. He is a member of the Institute of Transportation Engineers.

"Professionals like Michael and Manu are the foundation of a successful firm," commented D. Wayne Klotz, P.E., D.WRE, President of Klotz Associates. "They strive for excellence in every project they are a part of and are dedicated to exceeding client expectations. We proudly recognize their achievements with these promotions."

With a staff of 120 professionals and offices in Houston, San Antonio, Austin and Lufkin, Klotz Associates provides transportation, traffic, land development, ITS, water and sewer, aviation and drainage consulting engineering services.
