KLOTZ ASSOCIATES WELCOMES NEW VICE-PRESIDENT DELVIN DENNIS, PE

Houston - Klotz Associates announces the addition of Delvin Dennis, PE, as the Vice-President and Director of Texas Department of Transportation (TxDOT) services within the firm. Delvin most recently served as the TxDOT District Engineer for the Houston District. He was responsible for department operations in Brazoria, Fort Bend, Galveston, Harris, Montgomery and Waller Counties.

To date, Delvin has devoted his entire professional career to TxDOT service within the Houston District. He held various positions with the agency including: Assistant District Construction Engineer, Resident Engineer, Central Houston Area Engineer, and Director of Maintenance. He became Deputy District Engineer for the Houston District in 1998 and brings 31 years of experience to his new role with Klotz Associates.

D. Wayne Klotz, PE, D. WRE, and President of Klotz Associates, states, "*Delvin is the perfect addition to Klotz Associates. His award-winning experience and professional wisdom make him a key asset to our firm.*"

Delvin is a graduate of the University of Houston, where he earned his Bachelor of Science degree in Civil Engineering. In 2010, the University honored him with the Distinguished Engineering Alumni Award. Delvin serves many organizations, including the Texas Public Employees Association and the American Society of Civil Engineers.

With more than 27 years of engineering excellence, Klotz Associates has been recognized by the ENR Top 500 List of best design firms in the nation and has twice been named to Zweig-White's Hottest List of fastest growing firms in the engineering, architectural and environmental consulting industry. With a staff of 105 professionals, the firm provides land development, transportation, traffic, ITS, water and sewer, aviation and drainage consulting engineering services. For more information call 281-589-7257 or visit www.klotz.com.
