KLOTZ ASSOCIATES PROUDLY WELCOMES
MICHAEL MARCOTTE, PE, D.WRE, BCEE

Houston - Klotz Associates is proud to announce that Michael S. Marcotte, PE, D.WRE, BCEE has joined the firm as Public Works Practice Manager. Marcotte most recently served for six years as the Director of Public Works & Engineering for the City of Houston. He brings a rich 38 years of public works experience to Klotz Associates.

Upon Marcotte's arrival, D. Wayne Klotz, PE, D.WRE, President of Klotz Associates, commented, "Any firm would be honored to add Mike to their team. We are very fortunate to have his talents here and look forward to utilizing his exceptional insights."

Prior to his Director position at the City of Houston, Marcotte was the first Chief Engineer of the District of Columbia Water & Sewer Authority. As Chief Engineer, he was responsible for the implementation of the Authority's 1.7 billion dollar, ten year Capital Improvements Plans. He has also served as Director of the City of Dallas Economic Development Department and Director of Dallas Water Utilities.

Marcotte's career has taken him across the state and the country but began at a consulting engineering company in Houston after his graduation from Rice University. He received both his Bachelor's and Master's degrees from Rice University. He has also participated in continuing education courses at colleges such as the University of Pennsylvania's Wharton School, Trinity University and the University of Texas. He completed the Program for Senior Executives in State and Local Government at Harvard University's John F. Kennedy School of Government.

Marcotte is a Diplomate of the American Academy of Environmental Engineers and the American Academy of Water Resources Engineers, a Fellow of the American Society of Civil Engineers and a Life Member of the American Water Works Association. He is also a past member of the Boards of the American Water Works Association Research Foundation, the Texas Water Conservation Association, and the American Academy of Environmental Engineers.

With over 25 years of excellence, Klotz Associates has been recognized by the ENR Top 500 List of Best Design Firms in the nation and has twice been named to Zweig-White's Hottest List of fastest growing firms in the engineering, architectural and environmental consulting industry. With a staff of 115 professionals, the firm provides transportation, traffic, ITS, water and sewer, aviation, drainage, land development, and consulting engineering services.
