**KLOTZ ASSOCIATES ANNOUNCES NEW VICE PRESIDENT  
JERRY D. NEWELL, PE, AND NEW TREASURER, LENNOX M. BROWN**

**Houston** – Klotz Associates is proud to announce that **Jerry D. Newell, P.E. has been named Vice President** of Klotz Associates; additionally, **Lennox M. Brown, CPA, has been named Treasurer** of Klotz Associates.

Jerry D. Newell has more than 43 years of experience in a multi-disciplined background including both engineering and marketing. He provides expertise to governmental bodies, utility contractors, and engineering firms. Newell currently serves on the Board of the Texas Water Conservation Association (TWCA), and he is on the American Water Works Association (AWWA) Standards Committee for pre-stressed wire-wound concrete tanks. Newell is also involved in economic development organizations in the Houston area, and he is a founding member of the Economic Development Alliance for Brazoria County. “Klotz Associates prides itself on professionalism, and Jerry Newell epitomizes that commitment,” said Wayne Klotz, PE, D.WRE, and President of Klotz Associates. Jerry Newell graduated from The University of Texas in Arlington in 1966 with a Bachelor of Science degree in Mechanical Engineering.

Lennox M. Brown joined Klotz Associates in 2007 as Accounting Manager with over 20 years of accounting and general business experience. His new position as Treasurer will include presenting monthly fiscal reports at the Board of Director’s meetings. Brown is also responsible for managing, coordinating, and directing the accounting and human resources operations. Lennox M. Brown is a Certified Public Accountant (CPA) and received his Master of Business Administration (MBA) from Prairie View A & M University in 1989.

Founded in 1985, Klotz Associates has twice been named to Zweig-White's Hottest List of fastest growing firms in the engineering, architectural and environmental consulting industry. With a staff of 115 professionals, the firm provides land development, transportation, traffic, ITS, water and sewer, aviation and drainage consulting engineering services.
