KLOTZ ASSOCIATES WELCOMES NEW TEAM MEMBER HEATHER E. S. O'GORMAN, PE, REGIONAL MANAGER

San Antonio - Klotz Associates is happy to announce that Heather E. S. O'Gorman, PE has joined the firm as Regional Manager. Ms. O'Gorman comes to Klotz Associates from another engineering firm where she worked for 12 years as Project Director. During that time, she managed numerous projects: navigating projects from conception through construction and overseeing the design of roadway, drainage, sewer and fire protection systems.

Ms. O'Gorman is a member of the South Texas Institute of Transportation Engineers (ITE), as well as the American Society of Civil Engineers (ASCE). She has strong local roots and received her B.S. in Civil Engineering from the University of Texas at San Antonio. In her role as Regional Manager, Ms. O'Gorman will be overseeing engineering project services for Klotz Associates' Clients in south and southwest Texas.

"Heather masterfully coordinates communication among regulatory agencies, utility companies and Clients." said D. Wayne Klotz, PE, D.WRE, President of Klotz Associates and current National President of ASCE. Klotz continued, "She has the skill set and experience you look for in an effective manager. We are excited to welcome her aboard."

Klotz Associates, founded in 1985, is a full service civil engineering firm. Klotz Associates provides transportation, land development, traffic, ITS, water and sewer, aviation and drainage consulting engineering services. The firm has offices in Houston, Lufkin, San Antonio and Austin. Klotz Associates was twice named to Zweig-White's Hottest List of fastest growing firms in the engineering, architectural and environmental consulting industry.
