D. WAYNE KLOTZ: TEXAS SOCIETY OF PROFESSIONAL ENGINEERS
ENGINEER OF THE YEAR

Houston- D. Wayne Klotz, PE, D.WRE, Pres.09.ASCE, and President of Klotz Associates has been named Texas Engineer of the Year by the Texas Society of Professional Engineers (TSPE).

Local TSPE Chapters throughout the state nominate members for consideration for this award. The award is to recognize an engineer who has made significant contributions to the field, has improved the public welfare, and has advanced in the profession as a whole. In achieving this honor, Mr. Klotz will now be considered by the National Society of Professional Engineers (NSPE) for NSPE Engineer of the Year.

Mr. Klotz offered on the occasion, "Anytime you are recognized by your peers, it is an honor. And to receive this honor by this organization is a true point of pride for me. I know the caliber of Engineers we have in this city and this state!"

A Professional Civil Engineer for 37 years, Mr. Klotz received a Master's Degree from University of Houston and a Bachelor's Degree from Texas A&M University. He was recently appointed President of the Board of Directors of the Coastal Water Authority (CWA). He also serves on the Board of Directors of Neighborhood Centers, Inc., the Institute for Sustainable Infrastructure, the Industry Leaders Council and the Defense

of Homeland Security Community Resilience Task Force. He is a Past President of the American Society of Civil Engineers (ASCE).

TSPE is a State Society of the National Society of Professional Engineers (NSPE). Founded in 1936, TSPE is composed of 25 local Chapters and eight student Chapters. The organization works to serve the interests of individual engineers in Texas across all branches of engineering.

Klotz Associates has been recognized by the ENR Top 500 List of Best Design Firms in the nation for the last two years and has twice been named to Zweig-White's Hottest List of fastest growing firms in the engineering, architectural and environmental consulting industry. With a staff of 115 professionals, the firm provides transportation, traffic, ITS, water and sewer, aviation, drainage, land development and consulting engineering services. For more information call 281-589-7257 or visit www.klotz.com.
