KLOTZ ASSOCIATES WELCOMES NEW EMPLOYEE**RICHARD C. MOBLEY, II, AICP, ASLA**

Houston – Klotz Associates is proud to announce their newest team member, **Richard C. Mobley, II, AICP, ASLA, as the Planning Department Manager within the Transportation Practice.** Having worked for 28 years as a Transportation Planner, Mobley has gained extensive transit-development experience conducting major studies across the United States including Houston, Dallas and San Antonio. He has worked on the largest consultant-developed plan at the time - Horizon Plan for Baton Rouge and East Baton Rouge Parish - and has served as Project Manager for a number of multi-state High Priority Corridor studies.

Mobley acquired his Bachelor of Science degree in Landscape Architecture and his Master's degree in Urban Planning, with an emphasis in Transportation Planning. Both degrees were received from Texas A&M University.

The Institute of Transportation Engineers (ITE), American Planning Association, the Advisory Committee for Texas A&M University College of Architecture's Department of Urban and Regional Planning and Landscape Architecture are just a few of the professional organizations that name Mobley a leader.

“As our Houston office continues to grow, Richard is the perfect addition to Klotz Associates, bringing new outlook and craft to the table,” remarked **D. Wayne Klotz, P.E., D.WRE, and President of Klotz Associates.**

Klotz Associates has been recognized by the ENR Top 500 List of best design firms in the nation and has twice been named to Zweig-White's Hottest List of fastest growing firms in the engineering, architectural and environmental consulting industry. With a staff of 130 professionals, the firm provides land development, transportation, traffic, ITS, water and sewer, aviation and drainage consulting engineering services. For more information call 281-589-7257 or visit www.klotz.com.
