KLOTZ ASSOCIATES RECOGNIZES KEY LEADERS:**FIRM'S NEWEST SHAREHOLDERS AND ASSOCIATES NAMED**

Houston - Klotz Associates is proud to announce *additions to the firm's Shareholders and Associates programs*. Both distinctions represent the recognition of employee excellence; each an integral piece of the firm's foundation. "Our success depends on the efforts of our people and we want to ensure that they are recognized," said D. Wayne Klotz, PE, D.WRE, and President of Klotz Associates. "Our best attribute remains the quality of the people who make up this company."

David Balmos, PE, Road and Bridge Department Manager, and Sriram Natarajan, PE, PTOE, Traffic and ITS Department Manager, have been named as the *firm's newest shareholders*. Shareholders are Klotz Associates team members who demonstrate a true understanding of the company from all aspects, ranging from business operations to industry expertise. The firm, with its history of being a closely held corporation, requires that shareholders be employees of the company.

The firm's Associate's program, established in 2007, represents the on-going process of identifying, rewarding and promoting key individuals within Klotz Associates. These are team members who perform as examples for others and have been identified as future leaders and potential owners of the firm. The *newest Associates, as approved by the Board of Directors*, are Rebecca Bray, PE, PTOE, AICP, Senior Project Manager, Diana Diederich, Executive Administrative Manager, Steven Pike, PE, Road and Bridge Project Manager, and Steve Stacy, PE, Land Development Department Manager.

With the help of stakeholders and associates, Klotz Associates provides award-winning engineering designs while focusing on practical, workable solutions for their Clients. Founded in 1985, Klotz Associates has twice been named to Zweig-White's Hottest List of fastest growing firms in the engineering, architectural and environmental consulting industry. With a staff of 125 professionals, the firm provides land development, transportation, traffic, ITS, water and sewer, aviation and drainage consulting engineering services. For more information call 281-589-7257 or visit www.klotz.com.
