KLOTZ ASSOCIATES NAMES TWO NEW VICE-PRESIDENTS

Houston - Klotz Associates named Joe Zimmerman, PE the new Vice-President and Public Works Practice Manager and promoted Bradley Brown, PE to Vice President of Transportation.

Mr. Zimmerman is currently serving his second term on the City of Sugar Land Planning and Zoning Commission and previously served as a Board Member of the Fort Bend County Toll Road Authority. He brings 32 years of experience working in municipalities as a consulting engineer, land developer, and homebuilder. A civil engineering graduate from the University of Houston, Joe received his MBA from Houston Baptist University.

Bradley Brown, PE has worked with Klotz Associates for 13 years and has 31 years of professional experience in the management and design of major civil, site, transportation, and aviation projects. He has worked with many public institutions including the Texas Department of Transportation, Texas A&M University, the Harris County Toll Road Authority and the Metropolitan Transit Authority of Harris County. Bradley graduated from Texas A&M University in 1981 with his Bachelor's degree in Civil Engineering. He is a professional affiliate of the American Society of Civil Engineers, the North Houston Association and the Bay Area Transportation Partnership.

"With the addition of Joe and the promotion of Bradley as new Vice-Presidents, I am confident Klotz Associates has the award-winning team we strive for," D. Wayne Klotz, PE, D.WRE, and President of Klotz Associates.

With 27 years of excellence in engineering, Klotz Associates has been recognized by the ENR Top 500 List of Best Design Firms in the nation and has twice been named to Zweig-White's Hottest List of fastest growing firms in the engineering, architectural and environmental consulting industry.
